|-5-------------------------------------7---------3----------------------|
|----------5---------7--------------------------------3-----------|
   D          D          D
|-------------------------------------------------------|
|-----7---------7---------7-----------------------------|
|-----7---------7---------7-----------------------------|
|---7---7-----7---7-----7---7--------------------------|
|-5---------5---------5------------------------------|
|-------------------------------------------------------|
```

Verse:
```
Am                  Bm                   Em
Monday morn is taking this life away from me
    C                 G          D
I find myself in the same place again
                  Am
Staring at the same four walls
Bm                 Em
Screen makes my eyeballs crawl
C                  G                D
No man was made to live the life I m in
```

Verse 2:
```
Am                              Bm
But I won t spend time on your giant clock
    Em           G
My imagination just won t stop
   Am                     Bm
I just can t let this feeling go
     C                 D
I guess I should just ask you so...
```

Chorus:
```
C                 G                 D                 Am
```

```
            C           G           D
Though I know my time is six days away
C             G               D             Am
              C             G               D
But there s no one else who makes me feel this way

Verse 3:
D          Am                   Bm                Em
No since forcing it, you just got to let it flow
C                 G           D
And I can t think to say I let it go
D    Am                      Bm                      Em
After all this time, after all that we ve been through
        C           G           D
Just one less car  on down the avenue

Verse 4:
Am                   Bm
Abstract thoughts on a page
        Em                G
Were never really my forte
          Am                      Bm
There s too much logic and Savoir Faire
      C           D
For two souls in parallel

[Play Chorus]
