(talky bit #3)

talky bits :

#1:

This is rockinâ€™ radio the wall of sound

The music that rocks

The music that shocks

That music that comes to you from everywhere

As this is the music of the land

I love that music  
I love that sound  
I love that record  
I love that noise  
Stayed tuned to radio WOS  
The wall of sound

#2:

This is rockin'™ radio the wall of sound  
The music that rocks  
The music that shocks  
That music that comes to you from everywhere  
As this is the music of the land  
I love that record  
I love that noise  
I love it, I love it, I love it  
This is the big one  
This is the wall of sound

#3:

I love that music  
I love that sound  
You're listening to radio loud  
Walled the wall of sound the music comes to  
You from all around your head. Look out!  
I love that record  
I love that noise  
You think the music here it not  
It's inside your head you've  
Walled the wall of sound
