

Horseshoe Lounge
Slaid Cleaves

Capo 4

[D]

Ricky got the quarters for the table and broke

[G]

While I pulled hard on the sorrow and smoke

[D]

Raising up my bottle I looked for a chance

[G]

As you set your glass down on the bar with a glance at me

[Chorus 1]

[A] [G] [D]

Down at the Horseshoe Lounge

[A] [G] [D]

Shuffleboard and neon light

[A] [G] [D]

Down at the Horseshoe Lounge

[A] [G] [D]

Cigarettes and whiskey tonight

[D]

Ricky said She's out of your league, let her go

[G]

As I watched you pick your partner on that old dance floor

[D]

I know it didn't work out the first time we tried

[G]

But I'd do anything to have you by my side again

[Chorus 2]

[A] [G] [D]

Down at the Horseshoe Lounge

[A] [G] [D]

Peel the label off a Miller Lite

[A] [G] [D]

Down at the Horseshoe Lounge

[A] [G] [D]

I sit here thinking 'bout you every night

[Bridge]

[G] [D]

Were you the one who faltered

[A] [D]

Was I the one who strayed

[G] [D] [A]

Maybe God left us out of the plans he made

[D]

So here s to missed beginnings and things that never start

[G]

For these are the ghosts that run around in my heart

[D]

When I see that where I m going isn t where I want to be

[G]

I get the urge to look you up see if you would come and meet me

[Chorus 3]

[A] [G] [D]

Down at the Horseshoe Lounge

[A] [G] [D]

Hey, buddy have you got a light

[A] [G] [D]

Down at the Horseshoe Lounge

[A] [G] [D]

One more and I ll be alright

[D]

Ricky got the quarters for the table and broke

[G]

(Sing slowly) While I pulled hard on the sorrow and smoke
