

Horseshoe Lounge
Slaid Cleaves

Capo 4

[D]
Ricky got the quarters for the table and broke
[G]
While I pulled hard on the sorrow and smoke
[D]
Raising up my bottle I looked for a chance
[G]
As you set your glass down on the bar with a glance at me

[Chorus 1]
[A] [G] [D]
Down at the Horseshoe Lounge
[A] [G] [D]
Shuffleboard and neon light
[A] [G] [D]
Down at the Horseshoe Lounge
[A] [G] [D]
Cigarettes and whiskey tonight

[D]
Ricky said She s out of your league, let her go
[G]
As I watched you pick your partner on that old dance floor
[D]
I know it didn t work out the first time we tried
[G]
But I d do anything to have you by my side again

[Chorus 2]
[A] [G] [D]
Down at the Horseshoe Lounge
[A] [G] [D]
Peel the label off a Miller Lite
[A] [G] [D]
Down at the Horseshoe Lounge
[A] [G] [D]
I sit here thinking bout you every night

[Bridge]
[G] [D]
Were you the one who faltered
[A] [D]

Was I the one who strayed

[G]

[D]

[A]

Maybe God left us out of the plans he made

[D]

So here s to missed beginnings and things that never start

[G]

For these are the ghosts that run around in my heart

[D]

When I see that where I m going isn t where I want to be

[G]

I get the urge to look you up see if you would come and meet me

[Chorus 3]
