Capo on the 3th Fret

[Intro]

D F#m G Bm A

[Verse 1]

D F#m
The more I see, the less I understand
G Bm A
The harder I work, the poorer I feel
D F#m
The deeper the faith, the more I m broken
G A
The more I hear, the less it all seems real

Then you come around

Bm
With your soft young skin
G A
With no idea what you re about to step in

[Chorus]

G A
And in these times you remind me
Bm
Of the man I used to be
G A D
If I had a heart, you d be breaking it now

[Verse 2]

F#m
I ve seen hope rise, come crashing down again
G Bm A
Seen the bashing of brains, seen the city unwind
D F#m
Seen the overthrow, of dictators and tyrants
G A
Seen the gory mess, they always leave behind

Then you stop by

Bm
Talkin bout yer dreams
G A
You see a world not yet ripped apart at the seams

[Chorus]

G **A**
And in these times you remind me
 Bm
Of the man I used to be
 G **A** **D** **D7**
If I had a heart, you d be breaking it now

[Bridge]

G **A**
You ll see truth, turned into lies
 Bm **D**
Light turned to dark, hearts broke in two
 G **A**
Just one thing, before I die
 Em **G** **G7**
I want to make one lie come true

[Instrumental]

D F#m G Bm A
D F#m G A

[Verse 3]

D **F#m**
The more I read, the dumber I think I am
 G **Bm** **A**
The more money I make, the more they say I ll need
 D **F#m**
The farther I drive, the closer I am to where I started
 G **A**
The more I m told, the less I tend to believe

Then you come around
 Bm
With your soft young skin
 G **A**
With no idea what you re about to step in

[Chorus]

G **A**
And in these times you remind me
 Bm
Of the man I used to be
 G **A** **D** **D7**
If I had a heart, you d be breaking it now
 G **D**
If I still had a heart, you d be breaking it now
