Capo on the 3th Fret

[Intro]

D F#m G Bm A

[Verse 1]

The more I see, the less I understand
The harder I work, the poorer I feel
The deeper the faith, the more I m broken
The more I hear, the less it all seems real

Then you come around

With your soft young skin
With no idea what you re about to step in

[Chorus]

And in these times you remind me
Of the man I used to be
If I had a heart, you d be breaking it now

[Verse 2]

I ve seen hope rise, come crashing down again
Seen the bashing of brains, seen the city unwind
Seen the overthrow, of dictators and tyrants
Seen the gory mess, they always leave behind

Then you stop by

Talkin bout yer dreams
You see a world not yet ripped apart at the seams

[Chorus]

G **A**
And in these times you remind me
 Bm
Of the man I used to be
 G **A** **D** **D7**
If I had a heart, you'd be breaking it now

[Bridge]

G **A**
You'll see truth, turned into lies
 Bm **D**
Light turned to dark, hearts broke in two
 G **A**
Just one thing, before I die
 Em **G** **G7**
I want to make one lie come true

[Instrumental]

D F#m G Bm A
D F#m G A

[Verse 3]

D **F#m**
The more I read, the dumber I think I am
 G **Bm** **A**
The more money I make, the more they say I'll need
 D **F#m**
The farther I drive, the closer I am to where I started
 G **A**
The more I'm told, the less I tend to believe

Then you come around
 Bm
With your soft young skin
 G **A**
With no idea what you're about to step in

[Chorus]

G **A**
And in these times you remind me
 Bm
Of the man I used to be
 G **A** **D** **D7**
If I had a heart, you'd be breaking it now
 G **D**
If I still had a heart, you'd be breaking it now
