One Good Year
Slaid Cleaves

Capo 1

In the verses, I like to do a [D] to [D/F#] to [G] walkup but it isn t necessary
â€“
I just think it sounds a lot better.

Intro Chords: **D G D G**

```
          D     D/F#    G                    D
It s New Years day,      just like the day before
              D     D/F#    G                         A
Same old sky of gray      same empty bottles on the floor
            Bm   G                    D       A
Another year gone by and I m thinkin once again
        D              A              G
How can I take this losin  hand, and somehow win
```

[Chorus 1]
```
                    D        G
Just give me one good year
                    D
To get my feet back on the ground
        D       D/C#      Bm                    A       G
I ve been chasin grace, but grace ain t so easily found
G               D
One bad hand can devil a man
G                       D
Chase him and carry him down
  G               A                        D       G
I gotta get out of here, just give me one good year
```

```
          D          D/F#    G       D
I m burnin oil, engines runnin rough
              D    D/F#   G                   A
I drive from job to job         but it s never enough
            Bm   G                    D       A
I cant find the will to just up and get away
        D              A              G
Some kind of chain s holdin  me down and makes me stay
```

[Chorus 2]
```
                    D        G
```

Just give me one good year
                     D
To get my feet back on the ground
        D   D/C#   Bm   A   G
I ve been chasin grace, but grace ain t so easily found
G   D
One bad hand can devil a man
G   D
Chase him and carry him down
   G   A   D   G
I gotta get out of here, just give me one good year

[Bridge]
              G   A
Its a bitter wind
                    Bm
In your face everyday
                  F#m
Its the little sins
                    D
That wear your soul away
                    G   A
When you start givin in
                        Bm
Where do the promises all go
       F#m   A
Will your darkest hour write a blank check on your soul

[Solo]

[Chorus 3]
                    D   G
Just give me one good year
                  D
To get my feet back on the ground
        D   D/C#   Bm   A   G
I ve been chasin grace but grace ain t so easily found
G   D
One bad hand can devil a man
  G   D
A good one can turn him around
   G   A
I gotta get out of here
                        Bm   A
Just give me one good year
  G   A   D   G   D   G
I gotta get out of here, just give me one good year
