those old band in their songs

**F**

**C**

**Em**

those old memories came

**F**

**C**

through into my head

**G**

**F**

**C**

oh your so sweet too sweet to forget

**Am**

**Em**

**F**

**C**

its all in my dreams

**G**

**F**

**C**

you just so sweet too sweet to forget

**Am**

**Em**

you dont love me the same as i love you

**F**

**C**

its not to be.. I regret..

**G**

day are passing by

**C**

the wind begins to blow

**Em**

season is changing and

**F**

**C**

the leave begin to grow

**G**

but the words inside my heart

**C**

will forever still through

**Em**

wherever i will go

**F** **C**  
whatever i will do

**D** **Am**  
inside of cold dark lonely night

**D**  
memories of two of us

**Am** **F**  
begin to take fly

**G** **F** **C**  
you just so sweet too sweet to forget

**Am** **Em**  
but you dont love me like i love you

**F** **C**  
its not to be.. i regret..
