Verse I : D-B (palm Mute) or (gawan nyo na lang ng beat:))

i lost my way through this days
looking for that same old says
i ll break the silence of your face
to get closer everyday

Chorus:

Eb-G#
now I turn around again
looking for a friend
i see your face again, and again

C-D-Bb-G#

feel me today, cause you re million miles away
and I know, that you know
hear me today, cause you re million miles away
and I know, that you know

Verse II:

i ve been calling out your name

every minute it s just the same
cold and hungry shout to me
from this battle that I can t see

Bridge:

F#-G#

fly down fly away
go down and fly away
fly down fly away
glide away, glide away

fly down fly away
go down and fly away
fly down fly away
glide away, glide away

Eb-Bb-C#-G# (di power chords)

hear me today, cause you re million miles away
and I know, that you know

(Repeat 2x)

hear me today, cause you re million miles away
and I know.....
