Verse I : D-B (palm Mute) or ( gawan nyo na lang ng beat: ) )

i lost my way through this days  
looking for that same old says  
i ll break the silence of your face  
to get closer everyday

Chorus:

**E-A**  
now I turn around again  
looking for a friend  
i see your face again, and again

**C#-Eb-B-A**

feel me today, cause you re million miles away  
and I know, that you know  
hear me today, cause you re million miles away  
and I know, that you know

Verse II:

i ve been calling out your name

every minute it s just the same  
cold and hungry shout to me  
from this battle that I can t see

Bridge:

**G-A**

fly down fly away  
go down and fly away  
fly down fly away  
glide away, glide away

fly down fly away  
go down and fly away  
fly down fly away  
glide away, glide away

**E-B-D-A** (di power chords)

hear me today, cause you re million miles away  
and I know, that you know

(Repeat 2x)

hear me today, cause you re million miles away  
and I know.....
