

Back And Forth Again
Slasht Snakepit

(intro) **F C G F C G**

F C G
Now you ve slipped away
F C G
And found a place to stay
F C G
Who do I congratulate
F C G
But I m happy for you
F C G
Where are you today
F C G
I sense that you re afraid
F G C G
And I don t know what to do

C G D
I miss you, but what does it change
C G D
This confusion feels the same
C G D
Forget you and let you leave
C G D
But I m still thinkin it through
C G D
It s been the conflict between us
C G D
That s kept me from sinking before
C G A
You drove me crazy and I let you

C
Come do it some more
G
Put the past to bed,
A
we ve done it before
C G D
Now we re back and forth again
C G D
Can we help this pointless thing
C G D
Swingin like a hinge
C G D
To the place we always meet
C G D
There s nothing to say

C G D
 Except loneliness is strange
C G D
 Cause you wear the face
C G D
 That I never can leave
C G D
 And I know you re gonna call
C G D
 Cause you know just where I ll be
C G D
 Once you come and find me here
C A
 I ll be happy for me
C
 So happy to be
G
 Not alone anymore
A
 We ve done it before
C G D
 Now we re back and forth again
C G D
 Can we help this pointless thing
C G D
 Swingin like a hinge
C G D
 To the place we always meet
F C
 It s such a shame how little things
G
 Can change your minds
F C
 Don t just sit there filing your nails
G
 And passing the time
F C
 I can t let you bottle it up
G
 And take it too far
F C
 Carrying all of that weight
G
 Is the hardest part
