Battlegroud
Slash

Introdução: **C#m E**

      C#m
One more shout across the bound
                  E
One more Bullet through the heart
       C#m
You got me bleeding on the ground
             E
I got you wounded in the dark
  F#   **A**
Why do we Always
        E
Take this way to far?
B   **C#m**
  Surrender tonight this time
      D   **A**
Save Tomorrow
A   **E**
Mamma don t you let me down
B   **C#m**
  This broken alliance leaves me
  D **A**
So hollow
A   **E**
And wondering how
F#   **A**
  Did the bed that we made
      E
Become our Battleground

Solo: **C#m E**

      C#m
Well the damage has been done
          E
I know you hurt, so don t pretend
      C#m
Well we re use to making love
        E
Now we re making war instead
  F#   **A**
Before it s too late
         E
Lay your arms, now let me in

B   **C#m**

```
   Surrender tonight this time
        D    A
Save Tomorrow
A                          E
Mamma don t you let me down
B               C#m
   This broken alliance leaves me
    D   A
So hollow
A               E
And wondering how
F#                      A
   Did the bed that we made
                   E
Become our Battleground

            Abm          F#
Just hold your fire long enough to see
        E            B
We see how exposed to be
            Abm               F#
Was all that we lost, the wars we fought
            E                    B
Please don t let them fall on me

Solo: (C#m E 2x) F# A E F# A

        E
I wanna lay you down
                   F#
Surrender all the sorrow

The sorrow

        A
I wanna lay you down
                        E
Surrender  till it s gone
        E
I wanna lay you down
                 F#
Surrender  till tomorrow, tomorrow
        A
Wanna lay you down
                        E
Surrender  till it s gone

E F# A
(la la la la la la)

A
Just surrender  till it s gone
```

Just surrender till it s gone

E F# A
(la la la la la la)

Solo: **E F# A**

A
I don t want to fight no more
E   **F#**   **A**   **E**
I don t want to fight this bad anymore.

E F# A
(la la la la la la)

Solo: **E F# A**
