

Driving Rain
Slash

This is my first tab. Take it easy, comments and suggestions welcome. Cheers

[Intro]

E

Left her heart in a letter

Em

Said she d never been better

G

But now I know

E

My original sin

Em

She is down once again

G

No, no

[Pre-Chorus]

B A E

It s been so long

B A E

Can t remember the last time, you know

B A E

It s been so long

D B

So I m on my way

[Chorus]

E

A

E

I can t see the road through the driving rain

C D E

But I won t stop now

E

A

E

Her love is calling me home, seems to guide the way

C D E

So I won t stop now

[Verse 2]

E

To avoid all confusion

Em

She said she s been using

G

No, not again

E

Oh, but my fear of losing

Em

The girl always gets me home

G

Cause she knows

[Pre-Chorus]

B A E

It s been so long

B A E

Still some things will never change, I know

B A E

It s been so long

D B

So I m on my way

[Chorus]

E A E
I can t see the road through the driving rain

C D E

But I won t stop now

E A E
Her love is calling me home, seems to guide the way

C D E

So I won t stop now

[Bridge]

F#m
She s the dark to light

F#m
She s never satisfied

F#m
She always seems to find a reason to hope

F#m
That I ll come back tonight

F#m
That I will wanna rise

F#m
She pulled my strings yet again

F#m A E
So, here we go

[Outro]

E A E
I can t see the road through the driving rain

C D E

But I won t stop now

E A E
Her love is calling me home, seems to guide the way

C D E

So I won t stop now

E A E
I can t see the road through the driving rain

C D E

But I won t stop now

E A E

Her love is calling me home, seems to guide the way

C D E

So I won't stop now
