

**Gm Ab**  
With unimportant things  
**Cm**  
I ve had enough  
**Gm Ab**  
I ve had enough of the nights  
**Eb**  
And all the things you say  
**Gm Ab**  
That lead to loveless days  
**Eb Bb Ab**  
What you say leads to loveless days

[Chorus]

**Eb Bb Ab**  
So take what you want from me  
**Cm Bb Ab**  
Alone I ve waited months for the summer s rain  
**Eb Bb Ab**  
I ve been giving the best of me  
**Cm Bb**  
So cut me down and take what you want  
**Ab**  
Take what you want from me

[Bridge]

**Eb Gm Ab**  
I feel so disconnected  
**Eb Gm Ab**  
From everybody but myself  
**Eb Gm Ab**  
I feel so disconnected  
**Eb Gm Ab**  
From everybody but myself

[Chorus]

**Eb Bb Ab**  
So take what you want from me  
**Cm Bb Ab**  
Alone I ve waited months for the summer s rain  
**Eb Bb Ab**  
I ve been giving the best of me  
**Cm Bb**  
So cut me down and take what you want  
**Ab**  
Take what you want from me

[Chorus]

**Eb Bb Ab**

So take what you want from me

**Cm** **Bb** **Ab**

Alone I ve waited months for the summer s rain

**Eb** **Bb** **Ab**

I ve been giving the best of me

**Cm** **Bb**

So cut me down and take what you want

**Ab**

Take what you want from me

**Cm** **Bb** **Ab** **Eb**

Take what you want, take what you want from me
