

**Distant
Sleep On It**

[Verse 1]

A
This is the last time
C#m **B**
This is the follow through I ll never find
A **C#m** **B**
You re better off believing that I m gone
A
Feel the tension
C#m **B**
I m a funeral procession
A **C#m** **B**
Driving circles around memories I ve lost
E A
Don t wait up
A **C#m** **A** **B**
When the morning comes I promise I ll be gone

[Chorus]

A
I ve been down
E **C#m**
I ve been hit and knocked around
B **A**
Found the worst side of this town
E **B**
Not the person I want to be

(You said youÃ¢â€™d stay forever)
A
Scream it loud
E **C#m**
Not giving in or giving up right now
B **A**
I need to find a way to cope somehow
E **B**
Not the person I want to be

I can t see what s in front of me

[Verse 2]

A
You feel distant
C#m **B**
I only want it when I need it

A **C#m** **B**
Took the blue line just to see you one more time

A
I'm the concrete

C#m **B**
That you feel beneath your feet

A
Cracked and broken

C#m **B**
The weather took its toll on me

E A **A** **B**
How long until you see

[Chorus]

A
I've been down

E **C#m**
I've been hit and knocked around

B **A**
Found the worst side of this town

E **B**
Not the person I want to be

(You said you'd stay forever)

A
Scream it loud

E **C#m**
Not giving in or giving up right now

B **A**
I need to find a way to cope somehow

E **B**
Not the person I want to be

I can't see what's in front of me

[Instrumental]

C#m B E A

[Bridge]

C#m **B**
Maybe it's all true

E **A**
I'll never find somebody like you

C#m **B** **E** **A**
Or maybe I should really be alone

C#m
Maybe it's all true

E **A**
I never wanted someone like you

C#m **B** **E**
It's finally time you make your way back home

E

(Make your way back home!)

[Outro]

A

I ve been down

E

C#m

I ve been hit and knocked around

B

A

Found the worst side of this town
