```

G D C Am (D) (x2)

```
      G                               D
It was mid July in the late evening
      C
Hurricanes came from the south and
      Am                               (D)
They started bleeding
      G                               D
West Texas floods are far and few between
      C
Tonight was record
      Am                               (D)
You ll see just what I mean
```

```
      Cadd9
At fences down
      G
We fell in love
      Cadd9      Am                C   (D)
You set me up to knock me down
      Cadd9
These swollen clouds
      G
Brought sky to ground
      Cadd9      Am                C   (D)
You set me up to knock me down
```

G D C Am (D)

G
Destroyed by fortune
D
Derailment by fame
C
You searched world over
Am (D)
And found it s all the same
G **D**
West Texas love is far and few between
C
Tonight was record
Am (D)
You ll see just what I mean

Cadd9
At fences down
G
We fell in love
Cadd9 **Am** **C** (D)
You set me up to knock me down
Cadd9
These swollen clouds
G
Brought sky to ground
Cadd9 **Am** **C** (D)
You set me up to knock me down

((not too sure about the lyrics or the chords for the last part..any help would be cool...))

Em **D**
This river grew too big for walls
Bm
Misquite and all
G **C** **Am** **Em**
And it seemed to go be true
D
Fight the canyon no where
Bm
It gets you no where

And it seemed to go

It seemed to go

It seemed to go

It seemed to go
