Bm **G**
I took a walk in the Texas rain,

Memories flood like a crowded train

where the tracks remain,

G D G D A

On Fifth and Main there s a big parade
where the children play
and take their youth for granted.
The people pass, and the very last
Stood on stilts with their stove-top hats
They sang,

Oh my, gotta keep movin on.
Oh my, my, gotta keep movin on.
Oh my, gotta keep movin,
gotta keep movin

gotta keep movin on.

Bm	D	G
Why not take me?		
You could save me.		
Why not take me?		

Bm	A	G
What is this that makes us feel alone		
What is this that makes us feel alone		
What is this that makes us		
G		
You could save me.
