

Daughter
Sleeping at Last

Saw there is another version, it was close but the second part of the chorus was off and some D minors were missing here and there. Here s my own take on it:

Key: C
No capo

In the second part of the chorus you will hear a chord after the C. The bass will go into a B note,
the closest chord I could find is this:

```
e|--3--|
B|--0--|
G|--0--|
D|--x--|
A|--2--|
E|--x--|
```

According to a chord calculator, this is a G/B, so I ll use that.

This is an awesome song and I hope I captured its beauty in its entirety. Have fun playing it, I know I did.

[Intro]
