Sleeping at Last

I m pretty sure the chords are right, but let me know me if you disagree!
This is the original key but especially for girls I recommend to transpose
it up a couple of steps. :) Enjoy!

Key: **Em**

Am **D**
As our hearts lay sleeping
Em **D**
As our bodies rest
Am **D** **Em** **D**
The Heavens open up for us
Am **D**
Put down your weapon, child
Em **D**
And close your eyes
Am
Cause you and your enemies
D **Em** **D**
Are innocent tonight

C(maj7) **Am(7)**
I never wanted you
Em **D**
I never wanted you to go

C **Am** **Em**
There s a voice inside your soul
D **C** **Am**
That resonates through your skin and bone
Em **D**
Up through the blades of grass
Am **Em** **Am**
Underneath the feet of God s only son
D
The war that you re fighting
Am D Em D
Has already been won

Am **D** **Em**
I just want to survive with you by my side
D **Am** **D** **C Am Em D**
With you by my side, I just want to survive
