Dreamlife Sleeping at Last

I m pretty sure the chords are right, but let me know me if you disagree! This is the original key but especially for girls I recommend to transpose it up a couple of steps. :) Enjoy!

Key: Em

Am D

As our hearts lay sleeping

Em D

As our bodies rest

Am D Em D

The Heavens open up for us

Am D

Put down your weapon, child

Em D

And close your eyes

Αm

Cause you and your enemies

D Em D

Are innocent tonight

C(maj7) Am(7)

I never wanted you

Em I

I never wanted you to go

C Am Em

There s a voice inside your soul

D C A

That resonates through your skin and bone

Em D

Up through the blades of grass

Am Em Am

Underneath the feet of God s only son

D

The war that you re fighting

Am D Em D

Has already been won

Am D Em

I just want to survive with you by my side

D Am D C Am Em D

With you by my side, I just want to survive

C

Crooked mouth, quiet down

```
Am
Let your fists come undone
      D
Miscarried love will be reborn
When we sleep
The devil s arms are tied
The war that we re fighting
Has already been won…
       Am
I never wanted this,
        D
                         Em
I never wanted this to go away.
        G
I never wanted this,
       Am
I never asked for it,
I never meant to let it go
I just want to survive with you by my side
```

D Am G Em Am C D

With you by my side

I just want to survive

I just want to survive

Am
