

Homesick  
Sleeping at Last

Intro:

Em G

Em G

Em

Em G Em G C  
You spend your whole life just to remember the sound

Em G Em G C  
When the world was brighter, before we learned to dim it down

Em G Em G C  
Call it survival, call it the freedom of will

Em G Em G C  
Where breath is our own, our compass needle standing still

Em G Em G C

Em G/G# Em G C  
Our resignation only comes on beaten paths

Am D Am D

Am D Am D  
When the world was flat we dreamt of images

Em G Em G C  
If love is elastic, then were we born to test its reach?

Em G Em G C  
Is it buried treasure or just a single puzzle piece?

Em G Em G C  
It is poison ivy beneath our brave and trusting feet

Em G Em G C  
All revelations come to us in recovery

Am D Am D  
Cry wolf, cry mercy, cry the name of the one you were raised to believe

Am D Am D  
Cry heart, cry yourself to sleep, cry a storm of tears if it helps you breathe

Em G Em G C  
If it helps you, if it helps you breathe
