

Keep No Score
Sleeping at Last

I've been waiting for this tab to come out but it hasn't. So I finally just did it myself.

UPDATE! I went back and tried to figure out what that Em chord really was. Turns out capo is wrong and so are all the chords. I will edit this with all the real chords.

Capo 6. Intro: G D A Em D

G D
God, let her listen

A
With ears to the ground.

Em
Let voiceless approval

D
Turn into sound.

In death there are hidden, invisible keys
That only when swallowed
Reveal where they lead.

[illegible]

Is this a graveyard
To bury her heart?
Or is it a garden,
Where new life will start.

�Cause God, when life here ends,
We�ll beg you for more.
In temper we�ll hate you,
But please keep no score.

000000000000ooooooooooooo  
Life, it is a mess we wake up to,  
000000000000ooooooooooooo  
A single thread of a deeper truth
