Nine
Sleeping at Last

```
        Bb
Who am I
        F                       Gm
To say what any of this means?
  Eb                    Dm
I have been sleepwalking
        F
Since I was fourteen

        Bb               F
Now as I write my song
        Gm
I retrace my steps
        Eb              Dm
Honestly, it s easier
          F
To let myself forget

        Bb.                     F
Still, I check my vital signs
          Gm
Choked up, I realize
     Eb                       Dm
I ve been less than half myself
        Cm                  F/C
For more than half my life

        Cm
Wake up
              Bb
Fall in love again
        Gm              F
Wage war on gravity
                                        Gm

There s so much Worth fighting for
                Eb
You ll see
                        Gm   F   Eb
Another domino falls

Either way
```

[Solo] **Bb F Gm Eb Cm Dm Eb F**

```
        Bb                  F
It looks like empathy
        Gm                  Eb
```

```
To understand all sides
        Cm                              Dm
But I m just trying to find myself through
                  F
Someone else s eyes

   Bb                 F
So show me what to do
         Gm                Eb
To restart this heart of mine
     Cm                Dm
How do I forgive myself
           F
For losing so much time?

    Cm
Wake up
              Bb
Roll up your sleeves

        Gm                           F
There s a chain reaction In your heart
              Gm
Muscle memory

   Eb
Remembering who you are

     Cm
Stand up
           Bb                        Eb
And fall in love again and again and again
   Gm                F
Wage war on gravity

                       Bb
There s so much worth fighting for
        Gm
You ll see
            Gm   F  Eb
Another domino falls
               Gm   F  Eb
And another domino falls

    Bb              F
A little at a time
      Gm          Eb
I feel more alive
  Cm                          Dm
I let the scale tip and feel all of it
        Eb                   F
It s uncomfortable but right
```

```
      Bb               F
We were born to try
     Gm                Eb
To see each other through.
      Cm                         Dm
To know and love ourselves and others well

         Eb                 F
Is the most difficult and meaningful
Work we ll ever do

[Solo] Bb  F  Gm  Eb
```
