

Turning Page
Sleeping at Last

Eb **Ab**
I've waited a hundred years I'd wait a million more for you

Eb
Nothing prepared me for **Ab**
What the privilege of being yours would do

Bb **Cm**
If I had only felt
Ab **Eb**
The warmth within your touch
Bb **Cm**

How you smile when you blush

Ab **Eb**
When you concentrate enough

I would have known
Cm **Ab**
What I was living for all along
Ab Eb/G Fm Eb (start broken chords)
What I've been living for

Eb
Your love is my turning page
Ab
Where only the sweetest words remain
Eb **Gm**
Every kiss is a cursive line
Cm **Bb** **Ab**
Every touch is a redefined phrase

Bb **Cm** **Ab**
I surrender who I've been

For who you are

Nothing makes me stronger than

Your fragile heart
