

Cause you were swept ashore like bottles holding prayers

**C** **F/Dm** **C** **F/Dm**

You were carved out of the earth

**C** **F/Dm** **C** **F/Dm**

Safe and sound in your second birth

**C** **F/Dm** **C** **F/Dm**

Gravity has tied your ankle to the shore

**C** **F/Dm** **C** **F/Dm**

As a lighthouse tamed the endless ocean war

**F** **G** **Em** **Am7**

Against the calming light our silhouettes are changing shape

**F** **G** **C**

The stories you've been told have made you brave

**C** **F/Dm** **C** **F/Dm**

Such inheritance was formed within the sand

**C** **F/Dm** **C** **F/Dm**

Like the shells you gather in the safety of your hands

**F** **G** **Em** **F**

Dive in with your eyes closed For the life you were born to claim

**G** **Am7** **F**

And the water will be paralyzed By the courage you contain

**G** **Am7** **F**

And the flutter of your earnest heart It will fill the silent seas

**G** **G7** (riff) **C** **F/Dm**

And all will be restored in your memory
