

**When Were Together
Sleeping at Last**

Capo on 1st fret - for beginners just play a D chord instead of Dsus4 it still works

[Intro]

Em D Bm C x2

[Verse 1]

Em **D**
Sure, it's nice to open a gift
Bm **C**
That's tied up with a perfect bow
Em **D**
But the greatest present of all
Bm **C**
Was given to me long ago
Em **D**
It's something I would never trade
Em **C**
It's the family that we've made

[Chorus]

G **C**
Cause when we're together
Em **Bm**
I have everything on my list
G **C**
And when we're together
Dsus4 **D**
I have all I wished
Em **D**
All around the Christmas tree
Bm **C**
There'll be dreams coming true
G **C**
But when we're together
Dsus4 **D** **G**
Then my favorite gift is you

[Instrumental]

G

[Verse 2]

G **Gmaj7**
I would travel miles and miles
Em **D**
And I would follow any star
C **D**

I'd go almost any place
 C **D**
If it's any place you are

[Chorus]

G **C**
Cause when we're together
 Em **D**
I'll forever feel at home
 G **C**
And when we're together
 Dsus4 **D**
We'll be safe and warm
 Em **D**
Doesn't matter where we are
Bm **C**
If you're there with me
 G **C**
And when we're together
 Dsus4 **D** **G**
That's my favorite place to be

[Instrumental]

G Gmaj7 D C D C D

[Chorus]

G **C**
Cause when we're together
 Em **D**
It's a holiday every night
 G **C**
And when we're together
 Dsus4 **D**
Then the season's bright
Em **D**
I don't need the bells to ring
Bm **C**
I'll know when it's here
 G **C**
Cause when we're together
 G **D**
I could stay forever
 G **C**
And when we're together
 G **D** **G**
It's my favorite time of year
