

**He Will Reign  
Sleeping Giant**

**C C/E B/D B/G# (Repeat over)**

In my mind I know how to sing this  
But I need Your light, God there's no other way  
He says I try, the words all come jumbling out  
As I rest in Your light, I hear Your Spirit say You say

Come... x2

I don't know why it was that I hated You so  
It was before I really knew You  
Before I touched Your heart and it became unto me  
The very substance of my life  
I've stayed at Your side  
I've seen the things that You do  
I'm blessed, I'm broken, I'm honored inside to be called Your wife

Come... x6

**C/C(Arpeggio) C/F C/E C/A C/E C/D C**  
Then my heart cries out, You will reign forevermore  
**C/F C/E C/A C/D C/E C** (This repeats)  
I love You Lord, You will reign forevermore

You are worthy Lord, so worthy Lord  
You will reign forevermore  
You're so deserving Lord, take my life Oh God  
You will reign forevermore

Oh we exalt Your name Oh God, we exalt You now Lord  
You will reign forevermore  
Take my life and make it Yours  
You will reign forevermore

Then You sing out over us Oh Lord  
You respond and I thank You Lord  
You sing, we will reign forevermore  
You lift up my head and sing  
We will reign forevermore

You call me beloved Lord, so we sing  
We will reign forevermore  
You are worthy, You alone  
We sing out, we will reign forevermore, We exalt You Lord  
We will reign forevermore
