

Alone
Sleeping With Sirens

Hahah, first time having to make my own chords to play the song. Standard tuning and such. Please don't give me hate XD

F#m **E**
Could you check my pulse for me
Dm **Am**
To see if I'm alive
F#m **E**
Cause every time that I am near you
Dm **Am**
Is the only time I feel alright
F#m **E**
If there were any way
Dm **Am**
I could think to turn back time
F#m E Dm Am
I'd stay here with you

F#m **E**
Sometimes I sit and wonder
Dm **Am**
Sometimes I feel like letting go
F#m **E** **Dm Am**
All I know is no one should have to be alone

(F#m)-(E) **(Dm)-(Am)**
I- don't want to be alone
I don't want to die alone
I could fall apart here and now
I don't want to die alone

E Dm Am
I want to be with you, you, you
I only want to be with you, you, you

Tell me what's the point of life
Is it material?
Had everything I could ever want and probably more
When I lay in bed at night
All I do is think of you
So when all this is gone what do I have to come home to?
This life goes by so fast
Pretty soon I'll grow old

What would I have but some stories now that I have told
No one to share them with
And when it s all done
What am I left with?
Tell me what s left

I don t want to be alone
I don t want to die alone
I could fall apart here and now
I don t want to die alone

[MGK:]
Leave me?
How the fuck you gonna leave me?
When I m the one that s on TV
With these girls screaming
Outside with my CD
And I m begging?
Naw baby, you re the one that can t keep me
Leave me?
Girl how the fuck you gonna leave me?
You know I love you, when we fight and we argue
I kiss and I hug you
You push me back, you say that I m trouble
But every Bonnie got a Clyde with her
Every woman needs somebody that s gonna ride with her
And I can t go on staying alive if I m alone
Pick up the phone and say hello
I d rather die with her
Now my night s so cold
When your heart is frozen
Mine s exposed you know this
Try to blame the fame for the way I ve changed
And you know those claims are bogus
Baby it s not me, it s us
Maybe now all we need is trust
Maybe this Hennessy will solve our problems
Baby pick it up

I don t want to be alone
I don t want to die alone
I could fall apart here and now
I don t want to die alone
[x2]

Could you check my pulse for me
To see if I m alive
