

Alone  
Sleeping With Sirens

Hahah, first time having to make my own chords to play the song. Standard tuning and such. Please don't give me hate XD

**F#m** **E**  
 Could you check my pulse for me  
**Dm** **Am**  
 To see if I'm alive  
**F#m** **E**  
 Cause every time that I am near you  
**Dm** **Am**  
 Is the only time I feel alright  
**F#m** **E**  
 If there were any way  
**Dm** **Am**  
 I could think to turn back time  
**F#m E Dm Am**  
 I'd stay here with you

**F#m** **E**  
 Sometimes I sit and wonder  
**Dm** **Am**  
 Sometimes I feel like letting go  
**F#m** **E** **Dm Am**  
 All I know is no one should have to be alone

(**F#m**)-(**E**) (Dm)-(Am)  
 I- don't want to be alone  
 I don't want to die alone  
 I could fall apart here and now  
 I don't want to die alone

**E Dm Am**  
 I want to be with you, you, you  
 I only want to be with you, you, you

Tell me what's the point of life  
 Is it material?  
 Had everything I could ever want and probably more  
 When I lay in bed at night  
 All I do is think of you  
 So when all this is gone what do I have to come home to?  
 This life goes by so fast  
 Pretty soon I'll grow old

What would I have but some stories now that I have told  
No one to share them with  
And when it s all done  
What am I left with?  
Tell me what s left

I don t want to be alone  
I don t want to die alone  
I could fall apart here and now  
I don t want to die alone

[MGK:]

Leave me?  
How the fuck you gonna leave me?  
When I m the one that s on TV  
With these girls screaming  
Outside with my CD  
And I m begging?  
Naw baby, you re the one that can t keep me  
Leave me?  
Girl how the fuck you gonna leave me?  
You know I love you, when we fight and we argue  
I kiss and I hug you  
You push me back, you say that I m trouble  
But every Bonnie got a Clyde with her  
Every woman needs somebody that s gonna ride with her  
And I can t go on staying alive if I m alone  
Pick up the phone and say hello  
I d rather die with her  
Now my night s so cold  
When your heart is frozen  
Mine s exposed you know this  
Try to blame the fame for the way I ve changed  
And you know those claims are bogus  
Baby it s not me, it s us  
Maybe now all we need is trust  
Maybe this Hennessy will solve our problems  
Baby pick it up

I don t want to be alone  
I don t want to die alone  
I could fall apart here and now  
I don t want to die alone  
[x2]

Could you check my pulse for me  
To see if I m alive
