

Dont You Ever Forget About Me
Sleeping With Sirens

G **Cadd9**
The hardest thing I d ever do is say goodbye
Em7
and walk slowly away from you,
Cadd9
But I ll do it.

G
And after all this time I shared with you,
Cadd9
it seems unfair to leave with nothing more
Em7 **Cadd9**
than blank stares, but I ll do it.

G
If it s for the best then I wish you well,
Cadd9 **Em7**
if it helps to say our life was a living hell,
Cadd9
well then do it, then do it, then do it.

G **Cadd9**
Don t you ever forget about me,
Em7
When you toss and turn in your sleep,
Cadd9
I hope it s because you can t stop thinking about
Am **C**
the reasons why you close your eyes,
Em **Cadd9**
I haunt your dreams at night,
G **Cadd9**
So you can t stop thinking about me,
Em **C**
don t stop thinking about me.

(**G** **Cadd9** **Em7** **Cadd9**)

G
Do you really think you could see this through,
Cadd9 **Em7**
put on a smile, and wear it for someone new?
Cadd9
Don t you do it.

G **Cadd9**
Cause I know I m not the easiest one to love,
Em7 **Cadd9**
but every ounce I have, I d invest in you.
Am **C**

No one said love is not for taking chances.

G **Cadd9**
Don't you ever forget about me,
Em7
When you toss and turn in your sleep,
Cadd9
I hope it's because you can't stop thinking about
Am **C**
the reasons why you close your eyes,
Em **Cadd9**
I haunt your dreams at night,
G **Cadd9**
So you can't stop thinking about me,
Em
don't stop thinking about me.

Am **C**
Will you take me back in the morning,
G **D**
If I promise to never act this way again?
Am **C**
Cause I'm so bad at being lonely,
Em7 **Cadd9**
but I don't know how, I don't know how.
G **Cadd9**
So don't you ever forget about me,
G **D**
don't you ever forget about me.

G **Cadd9**
Don't you ever forget about me,
Em7
When you toss and turn in your sleep,
Cadd9
I hope it's because you can't stop thinking about
Am **C**
the reasons why you close your eyes,
Em **Cadd9**
I haunt your dreams at night,
G **Cadd9**
So you can't stop thinking about me,
Em **C**
don't stop thinking about me.
Am **C** **G**
Just close your eyes and fall asleep tonight.
