

Ill Take You There
Sleeping With Sirens

easier acoustic version with capo on 3rd fret.
not 100% sure about the chords but this sounds pretty fine to me.

I LL TAKE YOU THERE by SLEEPING WITH SIRENS

Tuning: Standard
Capo 3rd

Intro:
Cadd9 D x2

Chorus:

Em **Am**
Even if there s nowhere left to go
Cadd9 **D**
I ll take you there, I ll take you there
Em **Am**
And if it ever feels like there is nowhere left to turn
Cadd9
I ll take you there
D
Always be there please take me there

Verse:

Em **Cadd9** **D** **Am**

I ve watched myself struggle with this fear of falling down

Em **D** **Cadd9** **Am** **Cadd9**

Cuz I ve seen a silhouette of me who is this stranger I ve become

Cadd9 **D**

Who is this man that I ve become

Chorus:

Em **Am**
Even if there s nowhere left to go

Cadd9 **D**
I ll take you there, I ll take you there

Em **Am**
And if it ever feels like there is nowhere left to turn

Cadd9
I ll take you there

D

Always be there please take me there

Verse:

Em Cadd9 D Am
I lost myself I questioned if I had the strength to move
Em
Cuz I get up and then I fall back down
Am
I look up and there s nobody around
Cadd9
It s quiet and I hate the sound
D
So quiet and I hate the sound

Em
How could I let myself come to this?
Am
I ll take one more drink and then I ll be dismissed
Cadd9
I m left to walk this world alone
D
I like it better on my own

Cadd9
For all the things I ve done
Cadd9 D
Who is this man that I ve become

Chorus:

Em Am
Even if there s nowhere left to go
Cadd9 D
I ll take you there, I ll take you there
Em Am
And if it ever feels like there is nowhere left to turn
Cadd9
I ll take you there
D
Always be there please take me there

Bridge:

Em Am Cadd9 D x4
