-> I have changed one of the chord names in order to avoid confusion whilst playing this song. The actual chord name is displayed in brackets, and was renamed to what it looks similar to in terms of shapes. Hopefully, you ll be able to see what I mean about confusion if you re just playing along quickly.  
-> Additionally, this TAB is just the chords displayed in order and then lyrics below. I would have put the chords above the lyrics where changes are meant to be made like other TABs, but it s fairly obvious where to change. If you still need help, use the tutorial linked below.  
-> All credit for this TAB goes to neitsab34 of youtube.com. I simply just tabbed out what was on his tutorial, which can be found here: <http://tinyurl.com/sojdaht>  
-> Please also note that this isn t the best set out TAB, and I apologize for the untidiness.

Anyhow, without further ado, here is the TAB for the song. It is 100% correct as far as I know.

**E7sus4, G\* (x2)**

**Asus4**

Stay for tonight  
If you want to, I can show you  
What my dreams are made of  
as I m dreaming of your face  
I ve been away for a long time  
Such a long time  
And I miss you there  
I can t imagine being anywhere else  
I can t imagine being anywhere else but here

VERSE 1:

-----

**E7sus4, Dsus2, G\*, Dsus2 (x2)**

How the hell did you ever pick me?  
Honestly, cause I could sing you a song  
But I don t think words can express your beauty  
It s singing to me:  
How the hell did we end up like this?  
You bring out the beast in me  
I fell in love from the moment we kissed  
Since then we ve been history

**Asus4**

-----

CHORUS:

-----

**E7sus4, G\*, E7sus4, Asus4 (x2)**

Please stay as long as you need  
Can t promise that things won t be broken  
But I swear that I will never leave  
Please stay forever with me

**E7sus4, Dsus2, G\*, Dsus2 (x2)**

It goes to show, I hope that you know that you are

What my dreams are made of

And I can't fall asleep

I lay in my bed awake at night

And I'll fall in love, you'll fall in love

It could mean everything, everything to me

Ooh This could mean everything to me

La da da, la da da da da

Oh-- (x2)
