Tabbed by: Justin McGrath

Sorry if there is mistakes in the chording or lyrics I just wrote this up quickly, I mean the song just came out like an hour ago.

Bb **Gm** **F** **Bb** **Gm** **F**
Woah oh, woah oh, woah oh, woah oh! Oh, woah oh, woah oh, woah oh, ohh!

Bb
Should I choose my heart or my head, I wish that I could just replay the
Gm **F** **Bb**
thoughts, of things I never said. Should I use my heart or my head, I wish
Gm **F**
that I could just bring back the time, start over again.

Gm **F**
But if you made it all alone this time I better say this loud.

Bb **Gm**
You make me feel low, don t make me feel low. I try so hard to convince
F **Bb**
myself its okay that I feel this way. You make me feel low, don t make me
Gm **F**
feel low. If I can t have you I ll be by myself cause you know I need you
Gm **F**
so. Don t make me, don t make me, feel low.

Bb **Gm** **F**
Woah oh, woah oh, woah oh, woah oh!

Bb **Gm**
So tell me why did it take 26 years to figure how to love, just throw it all
F **Bb**
away. She said maybe if you d been a little bit smarter, maybe if you tried
Gm **F**
a hard enough I wouldn t question why I shouldn t stay.

Gm **F**
If you expect me to come back around then surely you re insane!

Bb **Gm**
You make me feel low, don t make me feel low. I try so hard to convince
F **Bb**
myself its okay that I feel this way. You make me feel low, don t make me
Gm **F**

feel low. If I can t have you I ll be by myself cause you know I need you
so.

Bb **Gm**
Don t make me, don t make me. Don t make me walk out the door don t you
F **Bb** **Gm**
throw it away. Don t make me, don t make me. Cause I m leaving for good and
F
I m not coming back again!
