Low Sleeping With Sirens Key of Bb Tabbed by: Justin McGrath Sorry if there is mistakes in the chording or lyrics I just wrote this up quickly, I mean the song just came out like an hour ago. вb Вb Gm F Gm F Woah oh, woah oh, woah oh! Oh, woah oh, woah oh, woah oh, ohh! вb Should I choose my heart or my head, I wish that I could just replay the Gm \mathbf{F} вb thoughts, of things I never said. Should I use my heart or my head, I wish Gm that I could just bring back the time, start over again. Gm F But if you made it all alone this time I better say this loud. вb Gm You make me feel low, don t make me feel low. I try so hard to convince Bb myself its okay that I feel this way. You make me feel low, don t make me Gm F feel low. If I can t have you I ll be by myself cause you know I need you Gm so. Don t make me, don t make me, feel low. вb Gm F Woah oh, woah oh, woah oh, woah oh! вb Gm So tell me why did it take 26 years to figure how to love, just throw it all F вb away. She said maybe if you d been a little bit smarter, maybe if you tried Gm F a hard enough I wouldn t question why I shouldn t stay. Gm If you expect me to come back around then surely you re insane! вb Gm You make me feel low, don t make me feel low. I try so hard to convince Вb F myself its okay that I feel this way. You make me feel low, don t make me Gm F

feel low. If I can t have you I ll be by myself cause you know I need you so.
