

**Scene Four - Dont You Ever Forget About Me  
Sleeping With Sirens**

I know it s not perfect but it sounds okay and its fun to play :)

Capo 4

**G D Em C**

**G** The hardest thing I d ever do is say goodbye  
**D**

and walk slowly away from you,  
**Em**

**C**  
But I ll do it.

**G**  
And after all this time I shared with you,

**D**  
it seems unfair to leave with nothing more

**Em** than blank stares, but I ll do it.  
**C**

**G**  
If it s for the best then I wish you well,

**D** if it helps to say our life was a living hell,  
**Em**

**C**  
well then do it, then do it, then do it.

**G** Don t you ever forget about me,  
**D**

**Em**  
When you toss and turn in your sleep,

**C**  
I hope it s because you can t stop thinking about

**Am** the reasons why you close your eyes,  
**C**

**G** I haunt your dreams at night,  
**D**

**G** So you can t stop thinking about me,  
**D**

**Em** don t stop thinking about me.  
**C**

**G D Em C**

**G**  
Do you really think you could see this through,

**D** put on a smile, and wear it for someone new?  
**Em**

C

Don't you do it.

G

D

Cause I know I'm not the easiest one to love,

Em

C

but every ounce I have, I'd invest in you.

Am(hold)

C(hold)

No one said love's not for taking chances.

G

D

So don't you ever forget about me,

Em

when you toss and turn in your sleep,

C

I hope it's because you can't stop thinking about

Am

C

the reasons why you close your eyes,

G

D

I haunt your dreams at night.

G

D

It's so you can't stop thinking about me,

Am

don't stop thinking about me.

C

Will you take me back in the morning,

G

D

If I promise to never act this way again?

Am

C

Cause I'm so bad at being lonely,

G

D

but I don't know how, I don't know how.

G(hold)

D(hold)

So don't you ever forget about me,

G(hold)

D(hold)

don't you ever forget about me.

G

D

Don't you ever forget about me,

Em

when you toss and turn in your sleep,

C

I hope it's because you can't stop thinking about

Am

C

the reasons why you close your eyes,

G

D

I haunt your dreams at night.

G

D

It's so you can't stop thinking about me,

Am

don't stop thinking about me.

C

G

Just close your eyes and fall asleep tonight.
