

Better than before  
So sing it back  
Woah-oh-oh-oh  
No I can't let you go

[Verse 2]

I'm sorry for the things I've done, things I've done  
I'm sorry for the man I was  
And how I treated you  
I'm sorry for the things I've done, things I've done  
I'm sorry for the man I was  
And how I treated you

[Chorus]

Woah-oh-oh-oh  
No I can't let you...  
Go-oh-oh-oh  
And you know that you can...  
Take all of me  
I swear I will be  
Better than before  
So sing it back  
Woah-oh-oh-oh  
No I can't let you go

[Outro]

I've been thinking lately  
About you and me  
And all the questions left unanswered  
How it all could be  
And I hope you know  
You never left my head  
And if I ever let you down  
I'm sorry
