

**The Strays**  
**Sleeping With Sirens**

**E**  
Hubcaps & ashtrays

**B            A9**

I was born

**B                    A9**

But wasn't raised

**E**  
The big wheel  
The black space

**B            A9**

Tried my best

**B                    E**  
But wasn't praised

**A9**  
Hell is so close to heaven  
Hell is so close to heaven

**E                    B                    C#m**  
Hold on don't look back

**A9**  
You know we're better, we're better than that

**E                    B                    C#m**  
Lost and thrown away

**A9**  
You know we're better, we're better than that

**C#m            B                    A9**  
We are the strays

**C#m            B                    A9**  
We are the strays

**E**  
The train tracks  
To the stage

**B                    A9**  
Played that role

**B                    A9**  
The one you made

**E**  
The long nights  
To the worst days

**B            A9**  
Lived it all

**B                    E**  
But I didn't break

**A9**

Hell is so close to heaven  
Hell is so close to heaven

**E                    B                    C#m**

Hold on don t look back

**A9**

You know we re better, we re better than that

**E                    B                    C#m**

Lost and thrown away

**A9**

You know we re better, we re better than that

**C#m                B                A9**

We are the strays

**C#m                B                A9**

We are the strays

**E**

My whole life they said I d be nothing  
But I m something  
I would rather be the stray

**B**

Than be nothing to no one at all
