

Your Nickel Aint Worth My Dime
Sleeping With Sirens

An acoustic version of Your Nickel Ain t Worth My Dime by Sleeping with Sirens (off the album Let s Cheers to This). It may not sound 100% accurate, but it s close enough and it s an easy, simple song to learn and play.

Tabbed by lafawafa, hope you all enjoy!

Em **G**
I found a love that swept me off of my feet
D **C**
Found a baby, she s the finest thing this boy had ever seen

Em
She d pick you up,
G
and make you wanna fall hard
D
When I step out on the scene, they shout
C
Oh my god!

Em (single strum, let it ring)
She s so unreal
G (single strum, let it ring)
She lets me take her home
D
Let my body love your body, baby
C
All night long

Em **G**
I wanna write a song about you now, yeah
D **C**
Something that would make you wanna start
Em **G**
I wanna write a song about you now, yeah
D **C**
Something from the bottom of my heart

Em **G**
I wanna take ya home
D **C**
I wanna take ya home

Em **G**

Damn, this girl, can't find nobody like her

D

C

She is everything I want and I'd do anything for her

Em

I'd beg, beg, and beg

G

D

Make me believe that there is no one else I need

C

When you satisfy me

Em (single strum, let it ring)

I'll take you home

G (single strum, let it ring)

We can be alone

D

C

And let my body show you lovin' like it's never ever known

Em

G

I wanna write a song about you now, yeah

D

C

Something that would make you wanna start

Em

G

I wanna write a song about you now, yeah

D

C

Something from the bottom of my heart

Em

I wanna take ya home tonight, alone

G

Take you places you've never known

D

Keep you coming right back for more

C

Keep you coming right back for more

Em

I wanna take ya home tonight, alone

G

Take you places you've never known

D

Keep you coming right back for more

C

Keep you coming right back for more, more, more, yeah
