Sleepy Rebels - Better day

Please note that this is my first tab, and I m not sure that this will sound exactly like the recorded version of the song. Other than that I hope it s ok  
Also, this is the band s website: <http://sleepyrebels.com/>  
Please support the band guys!

Capo 6

Intro: **F C G Am** x2

**F**                      **C**                      **G**  
Here s a blueprint of the sun  
                         **Am**                      **F**  
Hand it out to everyone  
                         **C**                      **G**  
So the world can shine

**F**                      **C**                      **G**  
There is nothing we can t do  
                         **Am**                      **F**  
Now we re in reach of the moon  
                         **C**                      **G**  
And we re feeling fine

**Em**                      **C**  
Cause the world is a show  
                         **Em**                      **C**  
All the faces you know

**F**                      **C**                      **G**  
It s such a better day  
**G**  
Than the one before  
**F**                      **C**                      **G**  
It s such a better day  
**G**  
Listen, I want more  
**F**                      **C**                      **G**  
It s such a better day  
**G**                                      **C G D Em**  
Du du du du du duuu

**C G D Em**

**F**                    **C**                    **G**  
Take this spirit from my heart  
                  **Am**                    **F**  
So your melody can start  
          **C**                    **G**  
Just say you do

**F**                    **C**                    **G**  
There is nothing we can t do  
                  **Am**                    **F**  
When december turns to june  
          **C**                    **G**  
And we feel the fun

**Em**                    **C**  
Cause the world is a show  
                  **Em**                    **C**  
All the places we ll go

**F**                    **C**                    **G**  
It s such a better day  
**G**  
Than the one before  
**F**                    **C**                    **G**  
It s such a better day  
**G**  
Listen, I want more  
**F**                    **C**                    **G**  
It s such a better day

solo **Em Em C C** x2  
      **Em G D D** x3  
      **F C G Am** x2

**F**                    **C**                    **G**  
Here s a blueprint of the sun  
                  **Am**                    **F**  
Hand it out to everyone  
          **C**                    **G**  
So the world can shine

**F**                    **C**                    **G**  
There is nothing we can t do  
                  **Am**                    **F**  
Now we re in reach of the moon  
          **C**                    **G**

And we re feeling fine

**F**                    **C**                    **G**

It s such a better day

**G**

Than the one before

**F**                    **C**                    **G**

It s such a better day

**G**

Listen, I want more

**F**                    **C**                    **G**

It s such a better day

**F**                    **C**                    **G**        **Am**

Cause it s you and me

**F**                    **C**                    **G**        **Am**        **C**

And a yellow tree
