

Open Road
Slightly Stoopid

Just a basic 3 chord song, repeated throughout.

Open Road by Slightly Stoopid

D **C** **G**
Lights go out when your heading for the open road
D **C** **G**
Baby there s a chance for sure
D **C** **G**
You never really know what ll be on the other side
D **C** **G**
Until it s time to go home

D **C** **G**
Realize that I m gonna be the one who
D **C** **G**
Takes you hand as we re walking down the avenue...

(Repeat **D C G** Chords)

Close enough to have some fun jamming with it. Maybe try to mix it with the tab versions posed by others. Either way, enjoy
