Prophet - Slightly Stoopid

Tabbed by: Billy Kroener
Email: wkroener@email.arizona.edu
Album: Live & Direct: Acoustic Roots
Tuning: Standard (EADGBE)

*** I have seen the other version and think this sounds 100% better when you just have one guitar and yourself, enjoy! ladies love this one, lol***

Verse 1:

G **F**
But I aint no prophet
C **G**
To cure some damn disease
G **F**
And would you help me anyway
C **G**
If i was on my knees
G **F**
I m going through my time of change
C **G**
In my time of need
G **F**
And every little thing is gonna
C **G**
Be all the same (who ah)

(Strum Faster)

G **F**
And then i thought to my self
C **G**
I m gonna marry into wealth
G **F** **C** **G**
I m gonna take everything she s got to offer and keep it for myself
(continue with **G**)
Ohhh oh oh

Chorus:

F **C**
She said to me
F **C**
I don t like what i see
F **C**

And i say to her

G (let ring)

I don t even know you there
