intro: **Am, Em, F, G**

**Am** **Em** **F** **Em**  
Bury all your secrets in my skin  
**Am** **Em** **F** **Em**  
Come away with innocence, and leave me with my sins  
**Am** **Em** **F** **Em**  
The air around me still feels like a cage  
**Am** **Em** **F** **Em Am** **Em F**  
And love is just a camouflage for what resembles rage again

**G**  
So if you love me, let me go.  
**Am**  
And run away before I know.  
**G**  
My heart is just too dark to care.  
**Am**  
I can't destroy what isn't there.  
**G**  
Deliver me into my Fate -  
**Am**  
If I'm alone I cannot hate  
**G**  
I don't deserve to have you  
**F**  
My smile was taken long ago  
**Em Am Em F Em Am Em F Em**  
If I can change I hope I never know

**Am** **Em** **F** **Em**  
I still press your letters to my lips  
**Am** **Em** **F** **Em**  
And cherish them in parts of me that save every kiss  
**Am** **Em** **F** **Em**  
I couldn't face a life without your light  
**Am** **Em** **F**  
But all of that was ripped apart when you refused to fight

**G**

So save your breath, I will not hear.

**Am**

I think I made it very clear.

**G**

You couldn't hate enough to love.

**Am**

Is that supposed to be enough?

**G**

I only wish you weren't my friend.

**Am**

Then I could hurt you in the end.

**G**

I never claimed to be a Saint

**F**

My own was banished long ago

**Em Am**

It took the Death of Hope to let you go

**Em F Em Am Em F**

**G**

So break yourself against my stones

**Am**

And spit your pity in my soul

**G**

You never needed any help

**Am**

You sold me out to save yourself

**G**

And I won't listen to your shame

**Am**

You ran away - you're all the same

**G**

Angels lie to keep control

**F**

My love was punished long ago

**Em Am Em F**

If you still care, don't ever let me know

**Em Am Em F Em Am**

If you still care, don't ever let me know
