Artist: Slipknot
Album: All Hope is Gone
Track: Snuff
tune guitar down to: C#, F#, B, E, G#, C#

[Intro]
Am, Em, F

[Verse]
Am Em F **
Bury all your secrets in my skin
Am Em F
Come away with innocence, and leave me with my sins
Am Em F
The air around me still feels like a cage
Am Em F
And love is just a camouflage for what resembles rage again

(*the chord that comes after F is just a strum upwards from high string repeat in all Verses)

[Pre Chorus]
Am, Em, F

[Chorus]
G Am
So if you love me, let me go. And run away before I know.
G Am
My heart is just too dark to care. I can't destroy what isn't there.
G Am
Deliver me into my Fate - If I'm alone I cannot hate
G
I don't deserve to have you
F Am
My smile was taken long ago / If I can change I hope I never know

Pre Verse: Am, Em, F
Am Em F
I still press your letters to my lips
Am Em F
And cherish them in parts of me that savor every kiss
Am Em F
I couldn't face a life without your light
Am Em F
But all of that was ripped apart when you refused to fight

[Chorus]

G **Am**

So save your breath, I will not hear. I think I made it very clear.

G **Am**

You couldn't hate enough to love. Is that supposed to be enough?

G **Am**

I only wish you weren't my friend. Then I could hurt you in the end.

G

I never claimed to be a Saint

F **Am**

My own was banished long ago / It took the Death of Hope to let you go

[Solo]
Am, Em, F

[Chorus]

G

So Break Yourself Against My Stones

Am

And Spit Your Pity In My Soul

G

You Never Needed Any Help

Am

You Sold Me Out To Save Yourself

G

And I Won't Listen To Your Shame

Am

You Ran Away - You're All The Same

G

Angels Lie To Keep Control

[Outro]

F

My Love Was Punished Long Ago
