

**Meet The Sun Halfway**  
**Sloan Wainwright**

[Intro]

**C** **F**

[Verse]

**F**

Ninety today

**Dm7**

And she still knows her way

**C**

Back to the spring house

**G**

And the ash grove near the pond

[Verse]

**F**

She was just fifteen

**Dm7**

When she last saw these trees

**C**

And she felt prim

**G**

Back in Nineteen Twenty-Nine

[Pre-Chorus]

**F**

Chestnuts line the lane

**Dm**

Autumn leaves ablaze

**Am** **G**

She s come home

[Chorus]

N.C. **G** **C**

Even though the house is gone

**Am**

Even though it s been so long

**F** **C**

Still she s not afraid

**G** **C** **Em**

Even when it s all uphill

**Am**

Somehow she finds the will

**C** **G** **C**

To meet the sun halfway

[Verse]

**F**

Running through these fields

**Dm7**

With her shadow at her heels

**C**

She gets lost

**G**

In the way it used to be

[Verse]

**F**

But it s only in her mind

**Dm7**

Cause time has been unkind

**C**

And now her memories

**G**

Are all that she can see

[Pre-Chorus]

**F**

Chestnuts line the lane

**Dm**

Autumn leaves ablaze

**Am** **G**

Home sweet home

[Chorus]

**N.C.** **G** **C**

Even though the house is gone

**Am**

Even though it s been so long

**F** **C**

Still she s not afraid

**G** **C** **Em**

Even when it s all uphill

**Am**

Somehow you find the will

**C** **G** **C**

To meet the sun halfway

[Interlude]

**F**

La la la la la

**Dm**

La la la la la

**Am** **G**

La la laa

**F**

La la la la la

La la la la la

**Am** **G**

La la laa
