|---0-----0-----0-----0-----|
|-----|
```

Turn around You can t face up to me
I stand my ground I m just what I seem to be
Why in the world, would you give me a second look? (play chords E

B E)
Except Iâ€™m up here,And youâ€™re down there

| -4-----

Dm **Dsus2** **Dm** **Dsus4** **Dm** **Dsus2** **B E B**
You ll never know what it took You don t care what it took

Dm **C** **E**
The look in your eyes As I Turn on

E7(opp) **Dm** **E** **E7(opp)**
the light. The look in your eyes a look of surprise.

Sneakin around, You can t face up to me
 in this one trick town
I know your crowd At least not from what I ve seen
 and Iâ€™m not that proud
Flies in the ink leave footprints across the sea. (play chords E

B E)
Trace them back to where it all gets hard you find the

Dm **Dsus2** **Dm** **Dsus4** **Dm** **Dsus4** **B E B E**
cuts never run too deep The cuts never run too deep

F#m **B** **G** **A**
How many times have I tried just to get away from you and you reeled me back

F#m **B** **G** **A**
How many times have I lied Thatâ€™s thereâ€™s nothing I can do. (No, no)
(Repeat)

Follow verse chord pattern

A **Amaj7** **Dm** **F**
I stand my ground Iâ€™m just what I seem to be

You swung? me down for so long for so long **B E B**

The weight that I carry Knowin what theyâ€™ve done to us

How many names does it take to they blame the people you always should trust?
Dm **Dsus2** **Dm** **Dsus4**

Dm **Dsus2** **E B E**
The people you always should trust

Follow same patterns for rest of song.
