Kiss me goodbye

```
I Am The Cancer
Sloan
SLOAN - I Am The Cancer
From: Smeared
Tabbed by: Mark Wiebe, rwiebe@mindlink.bc.ca
[verse]
So long, Matthew I will miss you
There is too much to do, or I d go with you
It s a bad time I haven t got a dime
So long, Allison I now know where you ve been
      Dm
But I don t know where you re goin There s security in knowing
But I know some morning without any warning
You ll be gone
[chorus]
        Вb
Oh you kissed me, kissed me
Now you re supposed to miss me
[verse]
So long, Andrew I will miss you
I just wrote you a long note
            Eb
You better answer I am the cancer
             F
Removed from you
(chorus)
       Вb
Oh you missed me, missed me
Now you ve got to kiss me
```

```
(verse)
So long, scarecrow at least with you I know
You re going nowhere what do you care
There s nothing up your sleeve so you can never leave
Why would you?
Stay there, scarecrow? Sorry I had to go
But I shall return it was my turn
        Eb
To get away Someone had to stay
So I can go
[Instrumental]
F Dm Eb C
[Chorus]
I miss you most of all
Вb
Kiss, kiss me
I can t wait until you kiss me
          Gm
Until you kiss me
                       Вb
I can t wait until you kiss me
Kiss me again
```
