## The Rest Of My Life Sloan

hey my name s lars and this is my first tab but it should be accurate. when I tabulated it my guitar was tuned down half a step so it might not be exact.

I started thinkin bout The rest of my life I found my selfish looking out for G# Trouble and strife Someone with whom I ll spend rest of my days But if I ever said I wasn t G# Set in my ways Then I guess you caught me Lying to myself What kind of fool Doesn t think about it? Е What kind of fool Doesn t think about it? R You d have to be a fool Not to think about it Am I gonna settle down Am I gonna be Someone who has to take The rest of my life

G#

To settle down?

E B

Then I guess you caught me

Α

Lying to myself

(hold A)

Who ll make a man out of me?

(same chords)(
One thing I know about

The rest of my life
I know that I ll be
Living it in Canada
I know I said I ll share
The rest of my days
But I was only
Going through a phase

Am I gonna settle down Am I gonna be Someone who has to take The rest of my life

To settle down?
Then I guess you caught me
Lying to myself

What kind of fool
Doesn t think about it?
What kind of fool
Doesn t think about it?
You d have to be a fool
Not to think about it?
