

**The Rest Of My Life**  
**Sloan**

hey my name s lars and this is my first tab but it should be accurate. when I tabulated it my guitar was tuned down half a step so it might not be exact.

**F#**  
I started thinkin bout  
**C#**  
The rest of my life  
**C#**  
I found my selfish looking out for  
**B** **Bb**  
Trouble and strife  
**F#**  
Someone with whom I ll spend  
**C#**  
rest of my days  
**C#**  
But if I ever said I wasn t  
**B** **Bb**  
Set in my ways  
**F#** **C#**  
Then I guess you caught me  
**B**  
Lying to myself

**F#** **C#**  
What kind of fool  
**B**  
Doesn t think about it?  
**F#** **C#**  
What kind of fool  
**B**  
Doesn t think about it?  
**F#** **C#**  
You d have to be a fool  
**B**  
Not to think about it

**F#**  
Am I gonna settle down  
**C#**  
Am I gonna be  
**C#**  
Someone who has to take  
**B**  
The rest of my life  
**B** **Bb**  
To settle down?

**F#**

**C#**

Then I guess you caught me

**B**

Lying to myself

(hold **B**)

Who ll make a man out of me?

(same chords)(

One thing I know about

The rest of my life

I know that I ll be

Living it in Canada

I know I said I ll share

The rest of my days

But I was only

Going through a phase

Am I gonna settle down

Am I gonna be

Someone who has to take

The rest of my life

To settle down?

Then I guess you caught me

Lying to myself

What kind of fool

Doesn t think about it?

What kind of fool

Doesn t think about it?

You d have to be a fool

Not to think about it?
