```
G          C7          Gaug
The only thing I got from this year
G          C7          Gaug
Was this eternal ringing in my ear
G          C7          Gaug
From all the feedback and backchat and grief
G          C7          Gaug
And my pockets got deeper than before
```

(Same chord progression throughout the song)

I understand you ve seen all of me

I m going to treat that accordingly

Boy, I don t need that

I don t need a thing

Least of all this ring

It s Christmas and you re boring me

Now what can I possibly do?

You ve made me happy but you don t excite me

I ll wait till New Year s to tell you we re through

This Christmas the bells ring out of tune

Your mother's heart is bursting for me

As we sit by her impressive tree

Her heart is open, but mine it is torn for her first-born

It's Christmas and you're boring me

Now what can I possibly do?

You've made me happy but you don't excite me

I'll wait till New Years to tell you we're through

This Christmas the bells ring out of tune

It's Christmas and you're boring me

And I've loved you as much as I can

I need to feel this now, I know it exists

I'm only a human, you've been the perfect man

To hold me, a man to be kind

Now I can feel my heart beating out of time

Baby, you'll be fine
