

Lets Fall Back In Love
Slow Club

Sleeping, I ll be sleeping
In your sister s bed
It s a strange thing I know
When the moon doesn t glow
And it s as close as i think I ll ever get

Brother, if I had a brother
I m sure that he would say
Share that room, you re gonna share it soon
With the rest of our dead family

And although you are so near
In everything you do
All your doubts and fears
I hope someday stop haunting you

E Esus E Esus E Esus E Esus

Sleeping, I ll be sleeping
A E
Into the afternoon
B A B A
I know it sounds lazy, sleeping like a baby

Troubled, I ll be troubled
A E
I ve got to get on the run
